## REPORT ON RRC ACTIVITY OF THE YEAR 2022

### Bi-Annual Report of Red Ribbon Club

#### RED RIBBON CLUB (RRC)

Red Ribbon Club (RRC) is a voluntary on campus intervention is being implemented in the higher educational Institutions, aiming at heightening their risk perception and preventing HIV as well as promoting voluntary blood donation among youth between 17-25 years of age with department of higher education, technical support from TANSACS.

#### OBJECTIVES:

- \*To reduce new HIV infection among youth by raising their risk perception through awareness on sex, sexuality and HIV/AIDS.

- \* To induce the spirit among youth to help and support people living with HIV/AIDS (PLHIV) thereby reducing stigma and discrimination against PLHIVs.

- \* To motivate youth and build their capacity as peer educators and change agents

Ms.SnehaBabu,RRC

An orientation about the red ribbon club was given to the I year B.Sc Nursing students. The orientation was given by Ms Sheanne Maria Castellino, RRC Vice President and the main agenda was to make the students aware of the functions and the activities coordinated by the red ribbon club and the process of enrolment to the club. The students cooperated well and initiated themselves for being a volunteer of the red ribbon club. The programme came to an end by 3:30pm.
